

## Donation Request Form

Throughout the year, Blue-9 Pet Products receives a great number of donation requests. As a small business, we are limited in the amount and type of donation we are able to give. In order to quicken response time, we ask that you submit this request at least 6 weeks in advance of your event. Requests not received via this form will not be considered. Thank you for your cooperation and understanding.

Please note that that completion of this form in no way guarantees your organization will receive product. Organizations will be entered into a lottery. Organizations will be notified directly if they will be receiving product.
